

# Creating a Culture of Integrity

## Americans with Disabilities Act

### Activity Goal

The Americans with Disabilities Act (ADA) is a comprehensive federal civil rights statute protecting the rights of people with disabilities. This activity is designed to provide the latest information on ADA regulations and guidelines and the legal impact for faculty.

### Learning Objectives

Those participating in this activity will receive information that should allow them to...

- Summarize federal Americans with Disabilities Act (ADA) regulations and impact on Student/Faculty relationship;
- Identify and clarify ADA policy and procedures for faculty on UNTHSC campus; and
- Recognize and explain legal risks/implications for faculty.

### Sessions

Thursday, February 24  
5-6:30 PM, Everett Hall (RES-100)

or

Friday, February 25  
7:30–9:00 AM, Everett Hall (RES-100)

### Location

University of North Texas Health Science Center  
3500 Camp Bowie Boulevard  
Fort Worth, Texas 76107

### CME Accreditation Statements

The University of North Texas Health Science Center is accredited by the American Osteopathic Association to award continuing medical education to physicians.

The University of North Texas Health Science Center is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

### CME Credit Designation

The University of North Texas Health Science Center has requested that the AOA Council on Continuing Medical Education approve this program for 1.5 hours of AOA Category 2B CME credits. Approval is currently pending.

The University of North Texas Health Science Center designates this live activity for a maximum of 1.5 *AMA PRA Category 1 Credit(s)*<sup>™</sup>. Physicians should only claim credit commensurate with the extent of their participation in the activity.

### Ethics & Professional Responsibility

The University of North Texas Health Science Center at Fort Worth Office of Professional and Continuing Education has determined that this CME activity satisfies the Texas Medical Board's standard, annual ethics/professional responsibility requirement.

Faculty development activities will be granted Category 1-A credit up to a maximum of 10 credits per CME cycle and Category 1-B credit for any excess credits if sponsored by an AOA-accredited Category 1 CME sponsor and meet the 1-A faculty/hours requirement.
